HOUSING RIGHT

The drawing consists of two views of a component labeled 'HOUSING RIGHT'.
The side view on the left shows a vertical profile with a total height dimension of $16,3 \pm 0,15$ and a base width dimension of $(18,8)$.
The top view on the right shows a square-like footprint with rounded corners. The outer dimensions are $107 \pm 0,4$ (width) and $99 \pm 0,4$ (height). The inner dimensions are $112,5 \pm 0,4$ (width) and $99 \pm 0,4$ (height). The label 'B/C' is shown twice, pointing to the top and bottom edges of the inner square. A dashed line is drawn in the center of the inner square. A small circle with a dot is located at the bottom right corner of the inner square. A dimension line at the bottom right indicates a distance of 0 from the right edge to the center of the inner square.
